

TUBE EXPANDER SET

Multi Size

Swaging 1/4" pipe? Forget long winded and fiddley methods using a block and stirrup. Our JAVAC Edge Tube Expander Set is the only set that comes complete with a 1/4" expander head. Saving hassle, time and giving a more professional finish.

Part No. **JAV-1025**

Ergonomic TPR (Thermoplastic rubber) handles
For comfortable, non-slip grip.

Expander heads. Six blade heads for precision and consistency.
1/4", 3/8", 1/2", 5/8", 3/4", 7/8", 1", 1-1/8"

1/4" Expander Head* makes small to large pipework joining installations a breeze.
